State Recommendations for County Fair Canning Guidelines. Many of the following requirements are based on SAFETY guidelines. ONLY those regarding presentation of exhibit or specific fair preferences are adaptable.

SPECIAL RULES FOR HOME CANNING

Canning rules are based on safe food preservation guidelines from approved sources (National Center for Home Food Preservation (NCHFP), USU Extension and Pacific Northwest Extension, USDA, and Ball Canning). See <http://nchfp.uga.edu> or canning.usu.edu

1. Only products of home kitchens are eligible.
2. Products entered must have been produced since the last county fair. Older products will not be accepted.
3. All entries must be in clean, standard canning jars (e.g. no mayo jars) with new, single-use two-piece lids and rings.
4. A one-quart or pint jar constitutes an exhibit for fruit, vegetables or meat.
5. One standard-size canning jar constitutes an exhibit for preserves, conserves, pickles, and relishes based on recommendations from an approved recipe.

Pre-Register exhibits online @ www.fairentry.com

Opens August 1st at 9:00 am and will close August 10th at 11:00 am.

4-H INDOOR EXHIBITS

GENERAL RULES

6. One pint or 1/2 pint jar with lid constitutes an exhibit for jellies and jams.
7. Exhibits should be canned using research-tested recipes, i.e., USDA, Ball, pectin brand name or NCHFP guidelines issued 2009 or later. Processing adjustments for altitude, time or pressure must be made and explained on entry label. Find your appropriate altitude adjustments by city: http://extension.usu.edu/juab/files/uploads/FCS/Utah_Altitude_Chart_by_City.pdf or by county: http://extension.usu.edu/juab/files/uploads/FCS/Utah_Altitude_Chart_by_County.pdf by following these provided links.
8. All fresh fruits, jams, jellies, pickles and relishes must be processed in a boiling water bath and properly sealed. Entries processed in a steam canner will not be accepted.
9. No frozen jams or wax seals will be accepted. The presence of mold disqualifies a product.
10. All meats and vegetables must be processed in a pressure canner.
11. The exhibitor is requested to loosen the ring on the jar (so judges can remove ring and examine the head space).
12. **REQUIRED:** All jars must be labeled with name of product, method (water bath or pressure), pack (hot or raw), length of processing time, pounds of pressure (if applicable), altitude, date, city, recipe source (see above) and when the dial gauge was last tested (Year) attached to the bottom of jar. JUNIOR LIVESTOCK SHOW

2020 BUYERS INFORMATION

The Garfield County Junior Livestock Show provides local youth an opportunity to purchase, raise, and show a 4-H or FFA livestock project. Last year's auction was a great success, generating \$98503.54 for the 4-H and FFA youth of our county. These programs provide great opportunities for Garfield County youth to grow and learn valuable lessons of life. Many youth utilize the income from their 4-H and FFA livestock projects to help fund an education, religious service opportunities and start their own business.

Here are the ways you can help this program succeed:

Option 1: KEEP- send animal to packer or take home

- You pay the full bid price for the animal.
- You tell the auction which packer you would like the animal sent to be processed. Processing fees to be paid by the buyer at pick up. Or you are responsible to remove the animal directly following the sale.
- All proceeds go directly to the 4-H or FFA member
 - Example:
 - Bid Price..... \$450.00
 - You Pay..... \$450.00

Option 2: Support/ Floor- Do not keep the animal

- You pay the difference between the bid price and floor price. Floor Price is listed in the column next to the animal weight on the sale list.
- Animal is sold at Market Value to the floor buyer.
- All proceeds go directly to the 4-H or FFA member and are tax deductible.
 - Example:
 - Bid Price..... \$450.00
 - Floor Price..... \$200.00

7. All animals will be subject to health inspection. Animals found unhealthy will be removed from the grounds. Also, exhibitors found to be in violation of drug use or withdrawal dates or using any unethical animal altering techniques will receive such penalty as deemed appropriate by the committee. (See Code of Ethics)
8. Any exhibitor caught breaking rules, mistreating animals, involved in unsportsmanlike conduct in any Junior Livestock Show will be banned from the Garfield County Jr. Livestock show for at least one year.
9. All animals will be inspected at the time of entry by the sifting committee to uphold the standards of the show. Any animal sifted from the show will not be exhibited in the market classes or sold. Exhibitor can still participate in the showmanship classes.
10. Adults are asked not to fit animals for exhibitors at the show. Fitting and showing is a learning experience for youth. Therefore, we ask that adults give only minor assistance to the younger exhibitors in the final phases of fitting. (The exhibitor must be present during fitting.)

17. Direct criticism is interference with the judge, show management, other exhibitors, breed representatives, or show officials before, during or after the competition is prohibited.
18. Exhibitors must be present to show project on show day and be present to sell project on sale day. No one may be allowed to show (except when an exhibitor has two animals in the star class) or sell another exhibitors project. All animals that are underweight may be shown in the fitting and showmanship. If an animal is shifted because of illness it will be removed immediately. The owner of this animal will be able to show a different animal in the fitting and showmanship class.
19. The Stock-show Committee will use diligence to ensure safety of stock and articles, but in NO CASE WILL IT ASSUME RESPONSIBILITY FOR LOSS OR DAMAGE WHICH MAY OCCUR.
20. All the Grand Champion and Reserve Champion animals must be sold through the auction. Exhibitors may show two animals in each species but may sell only one animal per species in the auction. Exhibitors who show two animals in the same species must declare which animal will be sold in the auction. The deadline to declare which animal to be sold will be 1 hour after the judging is completed for each species. If an exhibitor fails to declare which animal will be on the auction then the smallest animal will be chosen to be sold.
21. The "Star Class" will be the approximate top 10% of animals for each species as ranked by the judge.
22. Any complaint must be accompanied by a \$25.00 deposit. If the livestock committee agrees it is a good suggestion, the author will get his/her money back. If not, it goes into the Junior Livestock Show Fund.
23. The \$20.00 stall fee for each stall is required. Fees will be due upon the weigh-in and will be returned if stalls are cleaned after the sale day. In order to receive a refund stalls must be cleaned within 1 hour of livestock sale closure.
24. All youth participants are required to attend 2 educational activities or one educational activity and submit a 4-H Portfolio/FFA Record Book at weigh ins to be eligible to show.
